With music by Claude-Michel Schönberg, lyrics by Herbert Kretzmer and book by Alain Boublil, *Les Misérables* has enjoyed a storied presence on the world stage for 28 years and has earned the distinction of being the world's longest-running musical. The show's enduring appeal can be attributed to its memorable characters, moving score and epic storyline. Based on the novel by Victor Hugo and set in 19th century France, the musical's Tony Award-winning score includes such beloved songs as "Bring Him Home," "Do You Hear the People Sing," "I Dreamed a Dream," "On My Own," and "One Day More." The Actorsingers is proud to be the first Community Theater in Southern New Hampshire to receive the rights to produce the full length award-winning musical theater classic. Join us as we present this blockbuster musical for *two* weekends – November 8, 9, 10 and 15, 16 and 17, 2013.
